### BOOKING FORM

To book your place on a course please send the fee for each course booked.

**Please make cheques payable to A. Edwards.**

Please state which course number the booking is for.

Each seminar is limited to twelve people only and places will be allocated on a first-come first-served basis. The minimum number that will make each seminar viable is six. If we don't get sufficient response for a seminar then we will return your fee or you can transfer it to a different seminar

Please note that these are very practically oriented courses and you will be expected to act as "patients" for others on the course to practise on and this involves being undressed under a treatment gown.

Participants on the foundation course will be expected to sign an agreement to the effect that they won't state or imply that they are a therapist of any kind nor charge for the treatments that they give; while participants on the practitioner course will also be expected to sign an agreement to the effect that they will not teach Ishta Spinal Touch without prior authorisation. Copies of the relevant agreements will be sent out with your confirmation of booking so that you can take legal advice if necessary.

If in doubt about your suitability for the course please talk to us.
